**G**

**D7**

The coffee that they give you, they said was mighty fine

**G**

Good for cuts and bruises and tastes like iodine ooh

**C**

**G**

I don't want no more of army life

**D7**

**G**

Gee bud, I want to go home

The chicken that they give you, they said was mighty fine

One rolled off the table and started marking time ooh

The biscuits that they give you, they said was mighty fine

One jumped off the table, boys, and it knocked down a pal of mine ooh

The women in the PX, they said were mighty fine

Most are over 90 and the rest are under 9 ooh

The money that they give you, they said was mighty fine

Ask for fifty dollars, boy, and they'll take back forty-nine ooh
