**Going Down the Road Feeling Bad**

I'm [G]going down that road feeling bad,
Yes, I'm [C]going down that road feeling [G]bad,
Yes, I'm [C]going down that road feeling [G]bad, oh, [Em]Lord,
and I [G]don't wanna be treated [D]this a- [G]way.

I'm going where the weather suits my clothes,
I'm going where the weather suits my clothes,
I'm going where the weather suits my clothes, lord, lord
I don't wanna be treated this-a-way.

Chorus

I'm going where the water tastes like wine
I'm going where the water tastes like wine
I'm going where the water tastes like wine, oh, lord
I don't wanna be treated this-a-way.

Chorus

I'm going where my friends are all around
I'm going where the water tastes like wine
I'm going where the water tastes like wine, oh, Lord
I don't wanna be treated this-a-way.
